

Madison Cooper, I got a fish!

Cooper Can I eat it?

Madison Coop, you know I always catch and release!

Cooper Grumble-mumble-grumble... Not me!

Madison Keep your hungry chops away from him Cooper, and stop drooling!

Cooper Grumble-mumble-grumble... Okay! Okay!

Cooper is a **Yellow Labrador**. They love to swim and leap into water. "Lab's" are always hungry and will eat almost anything and do not ever seem to be full. Labradors are the most popular family dog since they are so easy going and friendly. They love anyone who loves them.
