- www.walkingfishbooks.com
- BookSurge, Amazon, June 2009
- ISBN Number (1-4392-2541-9)
- Suggested reading level 2-7 years old

Introduction:

My first children's book was published by BookSurge in the spring. This is a professionally illustrated soft and hardback children's book. I

I have written 30 plus books in academic areas for Prentice Hall, Merrill, Delmar, West, Cengage and many others. These publications are in my field of expertise where I still teach, write, and publish. I continue to write [software books](#) on engineering subjects.

Since last summer I have embarked on a new path- writing children's journals and books. These have been published through BookSurge using my company [WalkingFish Books](#).

The first two books are fishing journals for two children's age groups:

- [My Fishing Journal](#) ([Amazon](#), [Review](#)).
- [Fishing Journal](#) ([Amazon](#)).

Wally the Walking Fish:

- [Wally the Walking Fish Meets Madison and Cooper](#).
